Светлое БУДУЩЕЕ

ШАРАПХАНА/РЮМОЧНАЯ

Welcome to Svetloe Budushchee (A Bright Future)!

Our ryumochnaya (a Soviet-style shot bar) opened in 2021 to bring back that very atmosphere where time moved slowly, conversations were heartfelt, and flavors were real.

We took inspiration from the traditions of Soviet-era ryumochnayas and old Almaty, capturing a piece of the city's history in our interior and menu. Every detail here carries the spirit of the past – from vintage posters and fading photographs to cozy furniture corners that echo cafés of the last century.

Guests come not only for the flavors, but for a sense of nostalgia – that unique feeling of comfort so hard to find in the hustle of modern life.

Our homemade fruit liqueurs are our signature. They're crafted according to time-honored recipes and deliver warmth and character in every glass.

And our chebureki? They're nothing short of legendary – crisp pastry, juicy filling, and an aroma that instantly transports you to the culinary past.

The Story of Our Almaty Apple Infusion – A Sip of the True Almaty

Alma-Ata – the city named after the apple. We believed it deserved a drink of its own – one that captures the spirit of the old city, the warmth of its streets, and the aroma of its legendary apples. That's how our infusion made with the Almaty Apport apple was born – a symbol of flavor and heritage. This isn't just an apple – it's a legacy, a source of pride, and the scent of childhood for generations.

We believe this will become our best-selling drink.

Because it doesn't just warm you – it tells a story.

The story of a city – its flavor and its soul.
